DISCUSSION/SUMMARY:

The Health and Human Services Agency – Behavioral Health Services- Mental Health Program (MHP) has responsibility for providing mental health services to adults with severe mental illness that sometimes results in the need for placement in a psychiatric health facility. Adults requiring placement in this facility require varied levels of treatment, supervision, and assistance. Calaveras County contracts with several psychiatric facilities in the central region of the state in order to assure that patients are able to be placed appropriately among the limited number of beds available. Doctors Medical Center of Modesto, Inc. is a psychiatric facility offering specialized mental health services to meet these needs.

FINANCING:

The maximum amount payable under this Agreement is three hundred thousand dollars (\$300,000), to be used on an as needed basis, for the two year period of July 1, 2020 to June 30, 2022. Appropriate expenditures are included in the MHP Fiscal Year (FY) 2020-21 budget (10620010-5538), and appropriate expenditures will be included in the subsequent FY. Services provided under this Agreement shall be paid for utilizing Medi-Cal and Local Mental Health Realignment funds.

ALTERNATIVES:

The Board of Supervisors (Board) may choose to do any of the following:

1. Uphold the recommendation to approve the Agreement; or
2. Continue the item to another date for further consideration. This option is not recommended unless the Board specifically requests additional information which cannot be obtained during this meeting; or
