**RECOMMENDATION:**

Adopt a Proclamation recognizing August 2019 as Child Support Awareness Month in Calaveras County.

**DISCUSSION/SUMMARY:**

Every August is Child Support Awareness Month!

Child Support Awareness Month is a national initiative to help inform all parents and the general public about the programs available to help them offered through child support services.

The 2019 California Child Support Awareness Month campaign, “**YOU ARE THERE FOR THEM, WE’LL BE THERE FOR YOU,**” focuses on the very necessary things that child support helps pay for, like groceries and doctor visits, and the services that child support agencies provide to make parenting easier, including the updated online case information service now accessible on mobile devices.

Central Sierra Child Support Agency would like to take this opportunity to honor parents as well as each staff member of the Agency who works diligently to provide services to families in need.

**FINANCING:**

There is no impact to the General Fund associated with the adoption of this proclamation.

**ALTERNATIVES:**

The Board could choose not to adopt the proclamation.
