RE: XC16 01 0050

Dear Ms. Barbara Yook:

This letter will confirm our intent to make available additional 2017 VOCA funds in the amount of \$124,692 with a 20% match requirement of \$31,173 for the County Victim Services (XC) Program. These additional funds should be used after all 2015 VOCA funds have been expended by your county. Acceptance of the additional funds will extend the XC grant until December 31, 2019. Confirmation is contingent upon the receipt and approval of the grant amendment accepting the additional funds and extension.

This letter does not commit Cal OES to continue funding these projects beyond June 30, 2018. All expenditures and obligations of funds will be subject to Cal OES administrative, fiscal, legal, and program review.

If you need further assistance, please contact your program specialist Vi Hoang at: (916) 845-8184.

Sincerely,

A handwritten signature in blue ink, appearing to read "Vi Hoang", is written over a light blue circular stamp.
