County of Calaveras Code Chapter 8.06 provides for the issuance of administrative citations for Code violations and for the assessment of fines.

Each day any violation exists is a separate offense, starting with the first day of documentation by the County, and will carry an independent fine. If you fail to correct the violation(s) noted on the front side of this notice and citation within the time specified, fines may be imposed as follows: \$100.00 per violation for the first day, and \$100.00 per violation per day for each calendar day thereafter that the violation exists on the premises (§8.06.430), or for violations of Chapter 17.95, \$1000.00 per day while the violation exists on the premises (§17.95.060(J)). The County may also seek from the Board of Supervisors an abatement order and a lien to recover costs of abatement. **If the County is forced to incur abatement costs, it may result in the placement of a lien on your property for payment prior to the next property tax billing cycle.**

#### **Consequences of Failure to Correct Violation(s):**

There are numerous enforcement options that can be used to encourage the correction of violations. These options include, but are not limited to, civil penalties, abatement by Calaveras County with costs assessed as a lien on property taxes, criminal prosecution, civil litigation, recording the violation with the County Recorder, and forfeiture of certain State tax benefits for substandard residential rental property. These options can empower the County to collect fines, demolish structures, make necessary repairs at the owner's expense, and incarcerate violators. Any of these options or others may be used if the administrative citation(s) do not achieve compliance.

#### **Right of Appeal:**

You have the right to appeal the imposition of an administrative citation and fine within fifteen (15) days from the date the citation is issued. Your appeal must be made in writing and received by the Calaveras County Code Compliance Unit by or before 4:00 p.m. on the 15<sup>th</sup> day. You may hand deliver or mail the written appeal to Administrative Hearing Board, c/o Calaveras County Code Compliance Unit, 891 Mountain Ranch Rd., San Andreas, CA, 95249. A proper timely appeal will result in an administrative hearing and an opportunity to appear before the administrative hearing board. (§8.06.600)

Failure of any person to properly file a written appeal within fifteen (15) days shall constitute a waiver of his or her right to an administrative hearing, including adjudication of the administrative citation or any part of it and the total amount of the fine. **Unless a written appeal request is timely received, the violation(s) shall be deemed admitted, the fine and obligation for abatement costs shall be deemed accepted, and upon ratification by the Board of Supervisors, this shall be deemed an abatement order authorizing the County to physically abate the violation.**

If the violations are upheld by the administrative hearing board you will be responsible for the costs of appeal and all other administrative costs incurred by the County of Calaveras, its Agents, and Contractors. Any finding or recommendation by the administrative hearing board will be considered a formal recommendation to the Board of Supervisors. A copy of the statement of decision, findings and recommendations by the administrative hearing board will be submitted to the Board of Supervisors, and the matter will then be agendized for ratification or modification.

#### **How to Pay Fines and Administrative Costs:**

The amount of the fine is indicated on the front of this notice of violation, order to abate, and administrative citation. **Payment may be made in person or by mail to Calaveras County, Code Compliance Unit, 891 Mountain Ranch Rd., San Andreas, CA. 95249.** Payment should be made by cash, personal check, cashier's check or money order. Be sure to write the citation number on your check or money order, **made payable to Calaveras County**, and enclose a copy of the citation. **Do not mail cash.**

#### **Consequences of Failure to Pay:**

The County has the authority to collect all fines accrued, administrative costs associated with compliance, and actual costs of abatement. The failure to pay these fines and costs may result in the matter being referred to the County Counsel to initiate a civil or small claims court action. Alternatively, the County may pursue any other legal remedy to collect the administrative fines and abatement costs, including but not limited to a lien. Lien assessments are due and payable in the next property tax cycle and must be paid at the time property taxes are paid.
